**Web Site:**

The official website for the 2015 Chemical Sector Security Summit is located at <http://www.dhs.gov/chemical-sector-security-summit>.

**Event Summary:**

The National Protection and Programs Directorate's Office of Infrastructure Protection (IP) of the Department of Homeland Security and the Chemical Sector Coordinating Council are co-sponsoring the 2015 Chemical Sector Security Summit in Alexandria, VA on July 21 - 23, 2015.

The ninth annual summit will provide a forum for representatives from the chemical community to obtain a better understanding of chemical security regulations, foster public/private dialogue across key topic areas, share best practices, discuss cyber trends and tools, exchange information and network with other security professionals, and gain insight into the roles of industry and Federal, state, and local agencies and departments involved in chemical security.

**Who Should Attend?**

Chemical and related industry professionals involved with:

- Corporate and facility security
- Environment, health, and safety
- Transportation and distribution of chemical products

**Key Topics for 2015:**

- CFATS update and overview

- Cybersecurity
- Regulatory updates
- Security threats facing industry
- Incident Management & Strategies for Media Messaging
- Local resources

**Webcasting: New to the 2015 Chemical Summit**

Homeland Security Information Network (HSIN) Webcasting is available for those that are unable to attend the 2015 Chemical Security Summit in person. Webcasting will cover the Keynote Speaker (TBD) on Day 2 followed shortly by the Infrastructure Security Compliance Division (ISCD) Regulatory Update (David Wulf, Director of ISCD). Attendees will hear the latest programmatic updates for the CFATS program, proposed Secure Handling of Ammonium Nitrate regulations, and updates on the implementation of the CFATS Act of 2014.

**You must register through HSIN to gain access for Webcasting.** The registration page is located at <https://share.dhs.gov/csss-webcast-2015-event/event/registration.html>.

**Questions?** Please contact [chemicalsummitreg@dhs.gov](mailto:chemicalsummitreg@dhs.gov) for more information
