

**FAQ Number:** 1551

**Date Published:** July 15, 2008

**Last Updated:** May 11, 2016

**Question:** Can individuals who are not US Citizens be CVI Authorized Users?

**Answer:** Yes, non-U.S. citizens can be CVI Authorized Users as long as they can complete CVI Authorized User Training. To access CVI Authorized User Training, go to [cvi.dhs.gov/training](http://cvi.dhs.gov/training).
