Question: How do I notify DHS if I am aware (1) that CVI has been released to a person without a need to know, or (2) of any request for access to CVI by persons without a need to know, or (3) that any actual or suspected misuse of or unauthorized access to CVI may have occurred?

Answer:

Please call the CSAT Helpdesk at 866-323-2957. Please be prepared to provide the following information:

- Date of the event
- Description of the event (e.g., who was involved, what happened, where did this take place)
- Other relevant facts
- any mitigation that has been implemented to respond to or minimize the potential impact of the CVI that has been disclosed?
